

Average Temperature Over Time (2000-2023)

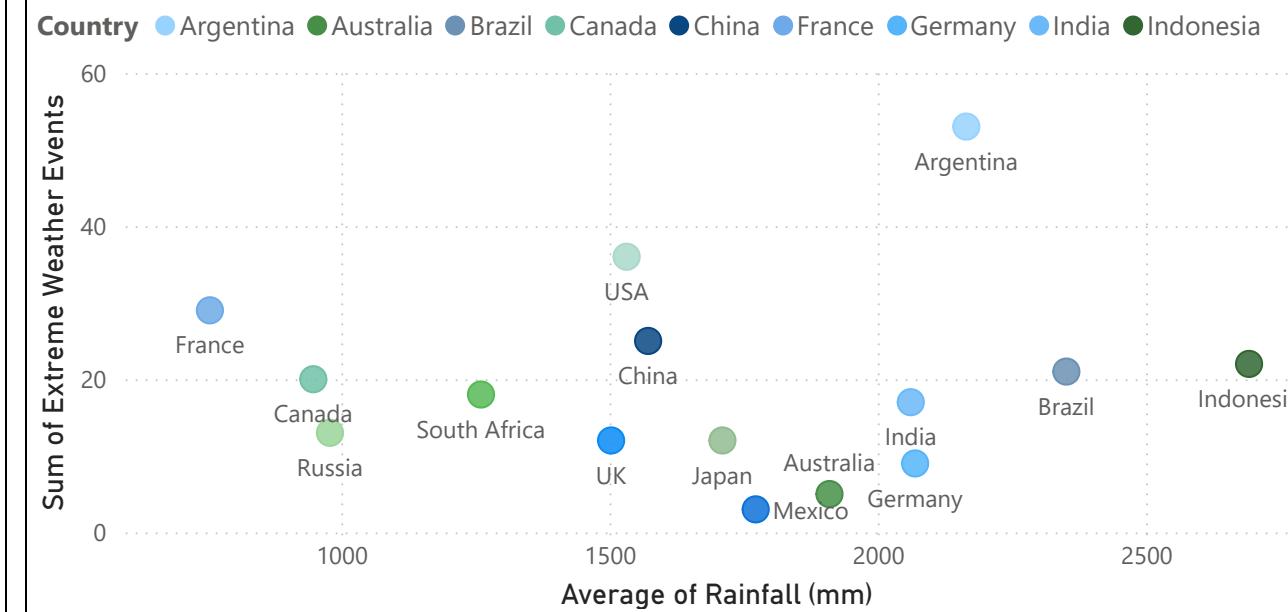

Sea Level Rise vs. Population Growth (2000-2023)

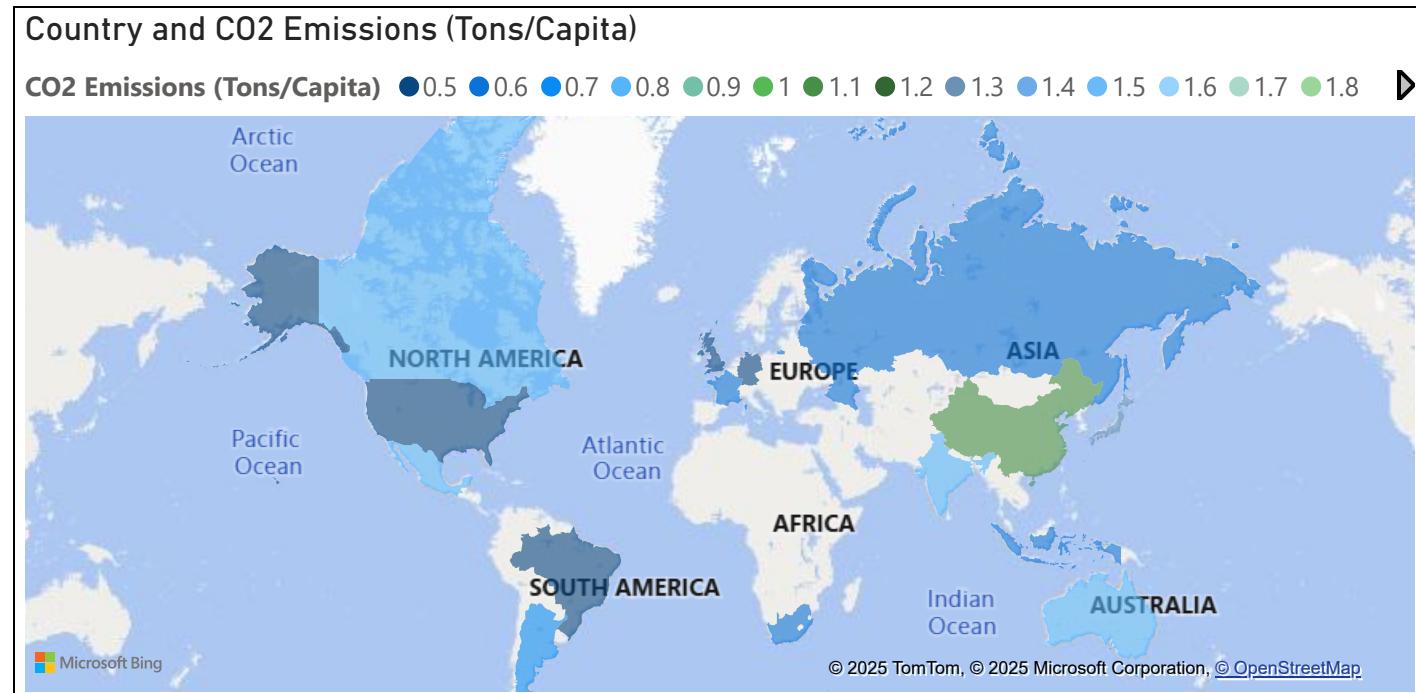

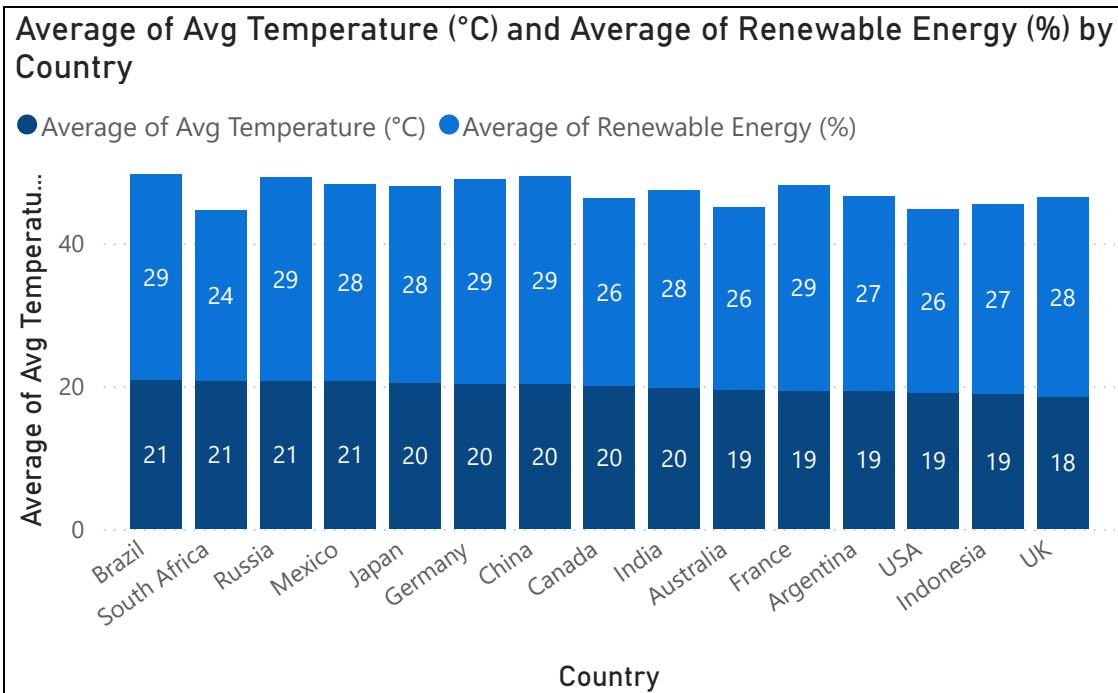

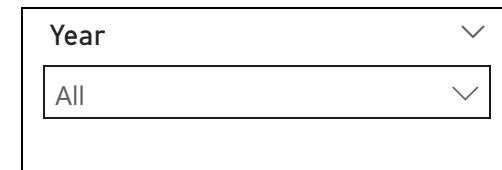

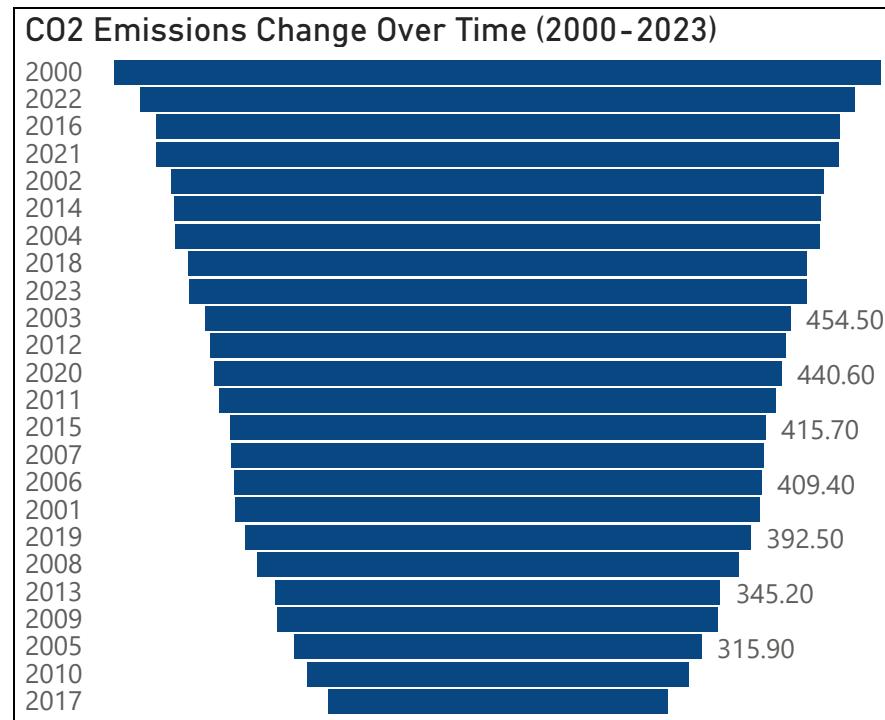

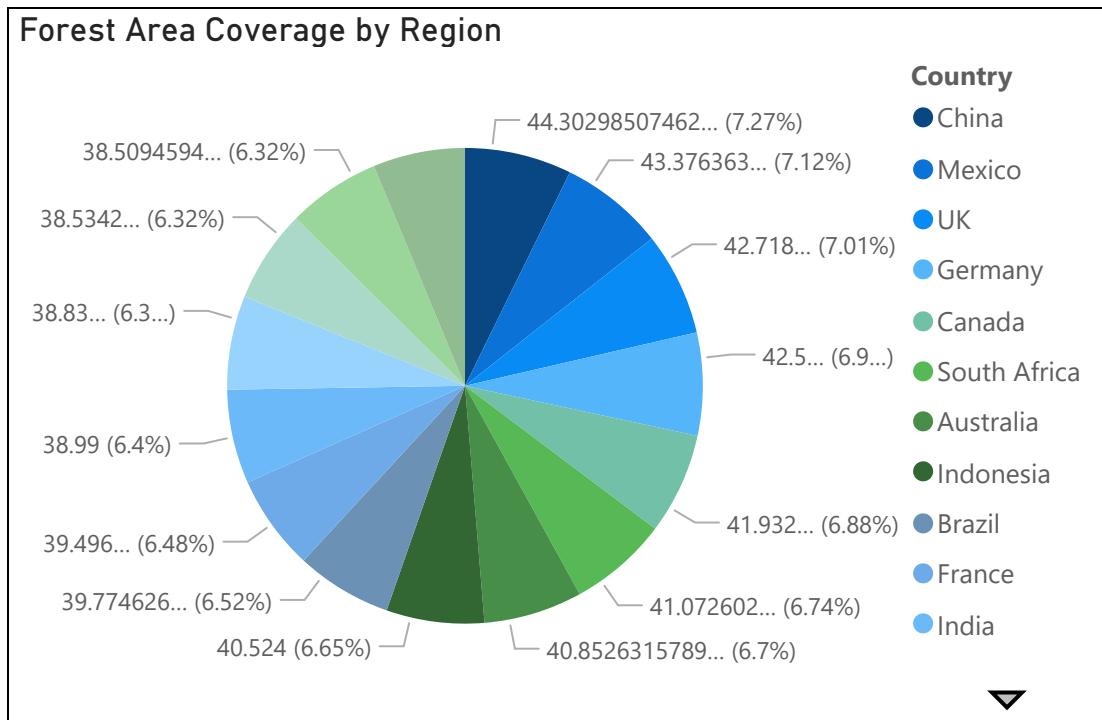

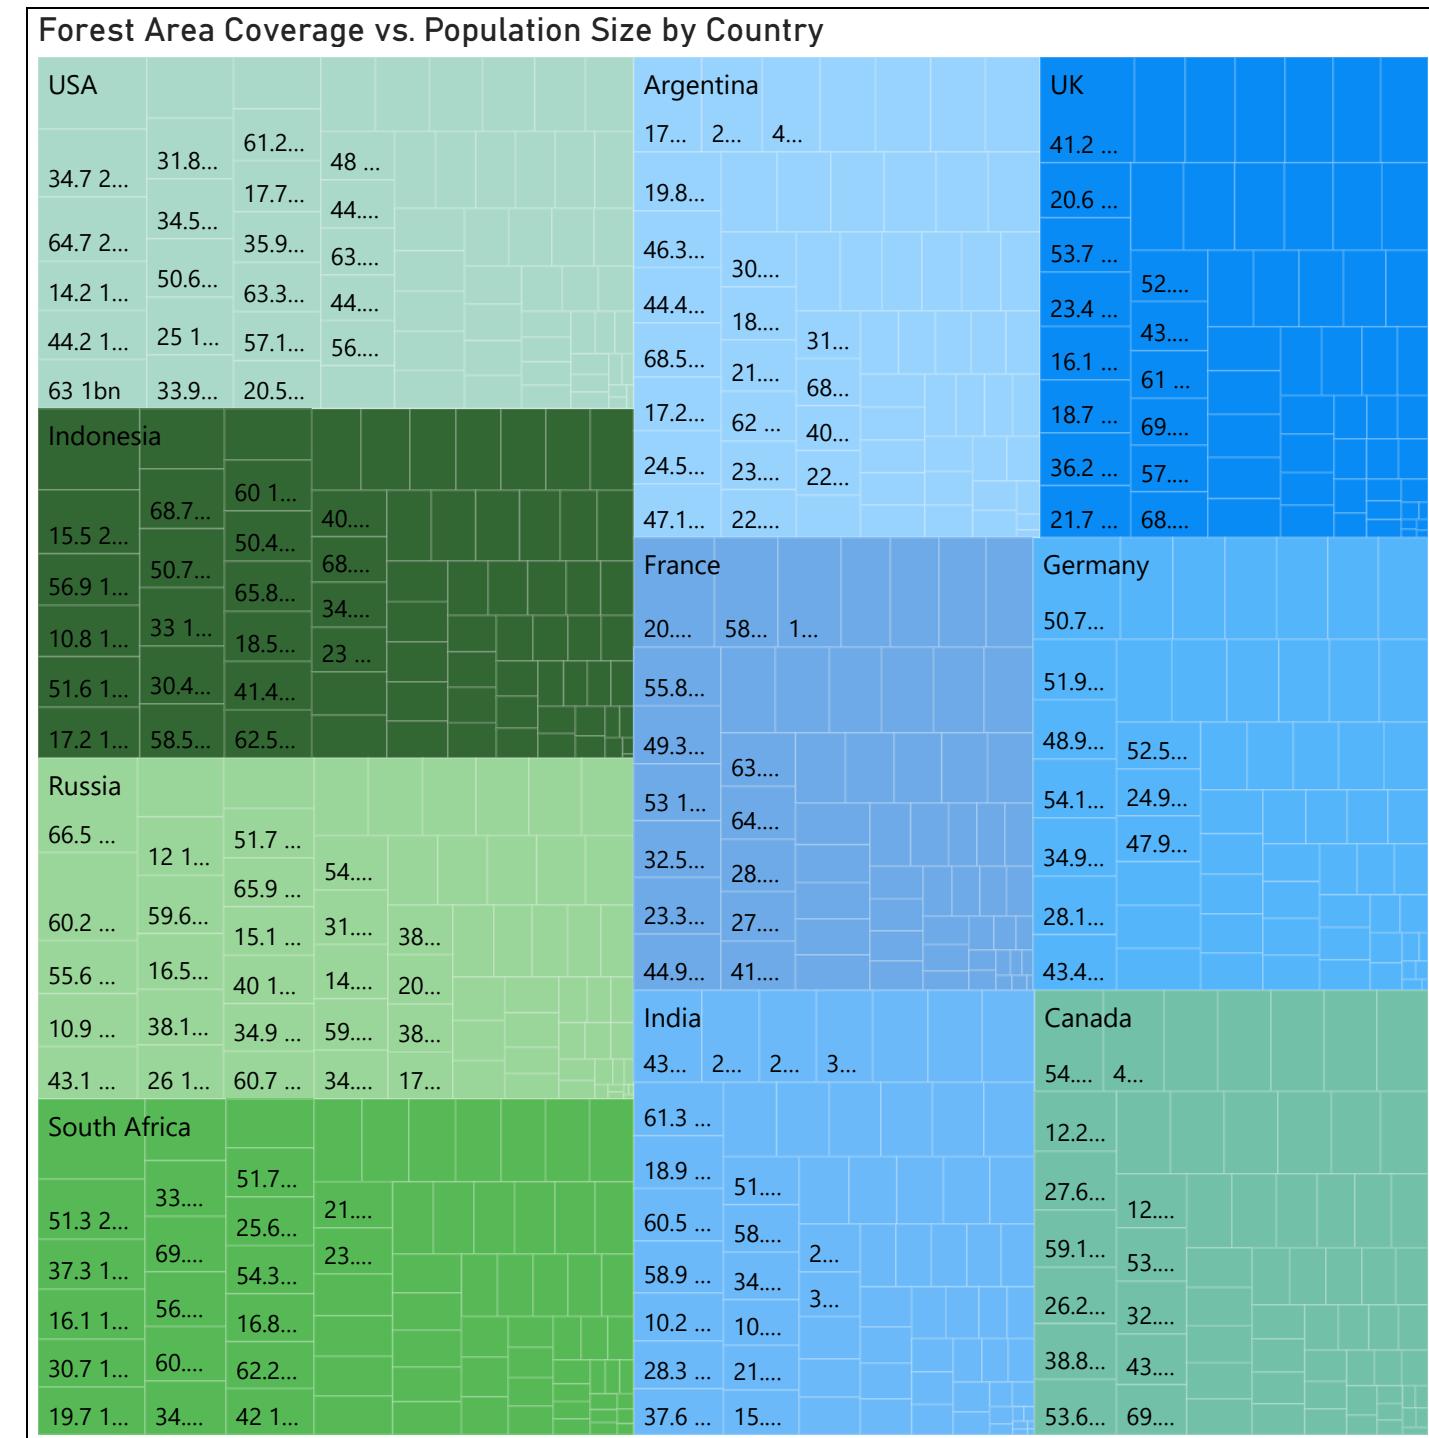

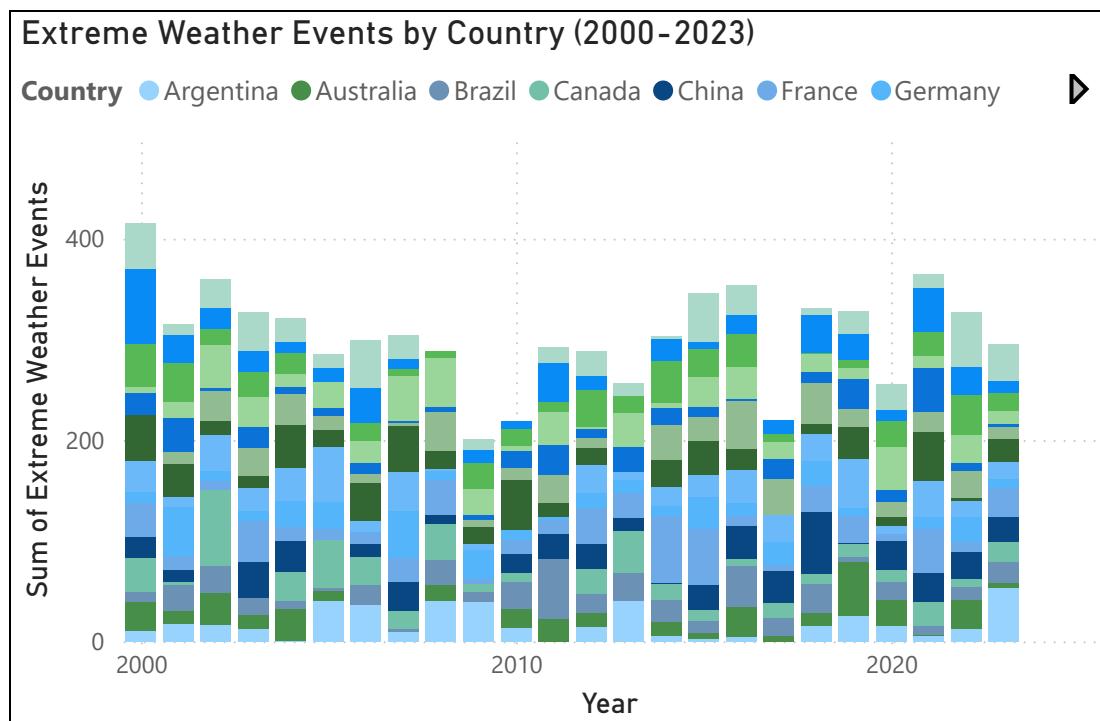

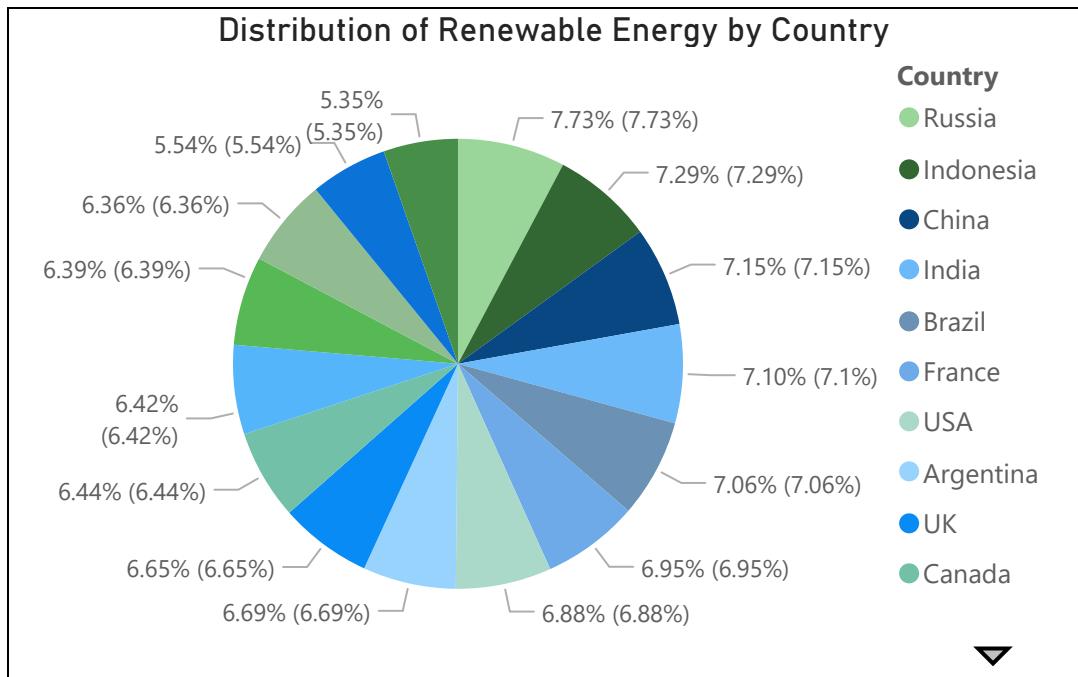

CO2 Emissions by Country

Average of Rainfall (mm) and Sum of Extreme Weather Events by Country(2023)

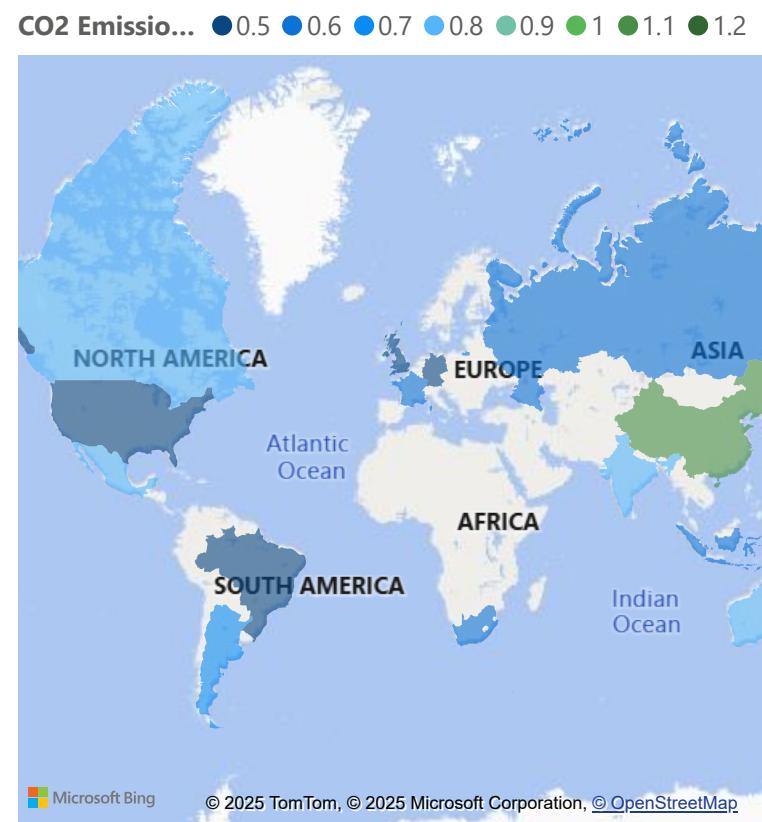

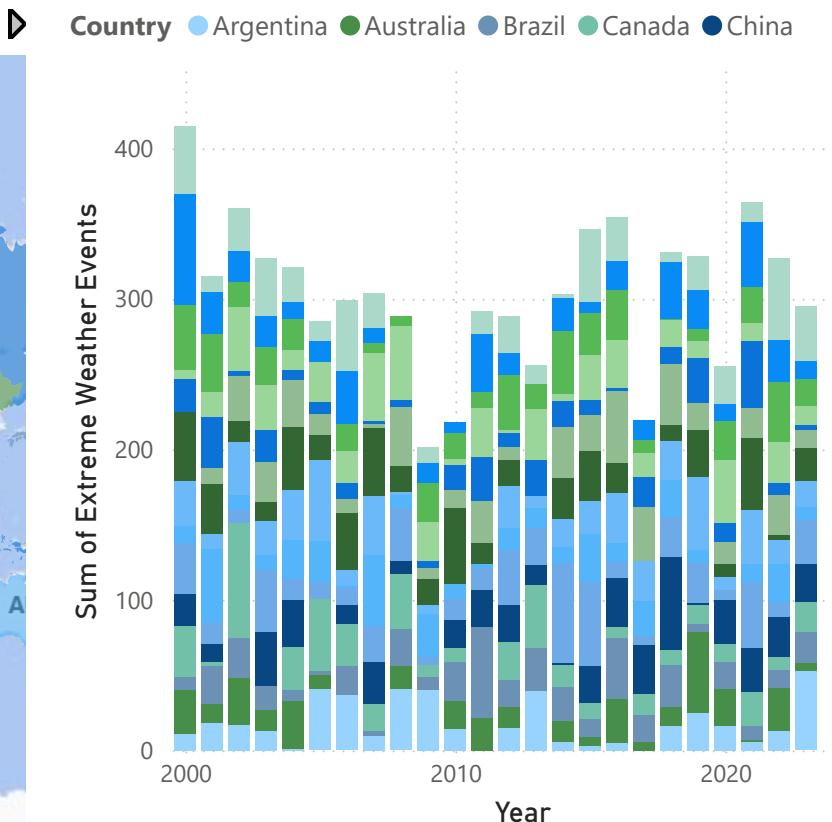

Global Climate Change Indicators: Analyzing Trends from 2000 to 2023

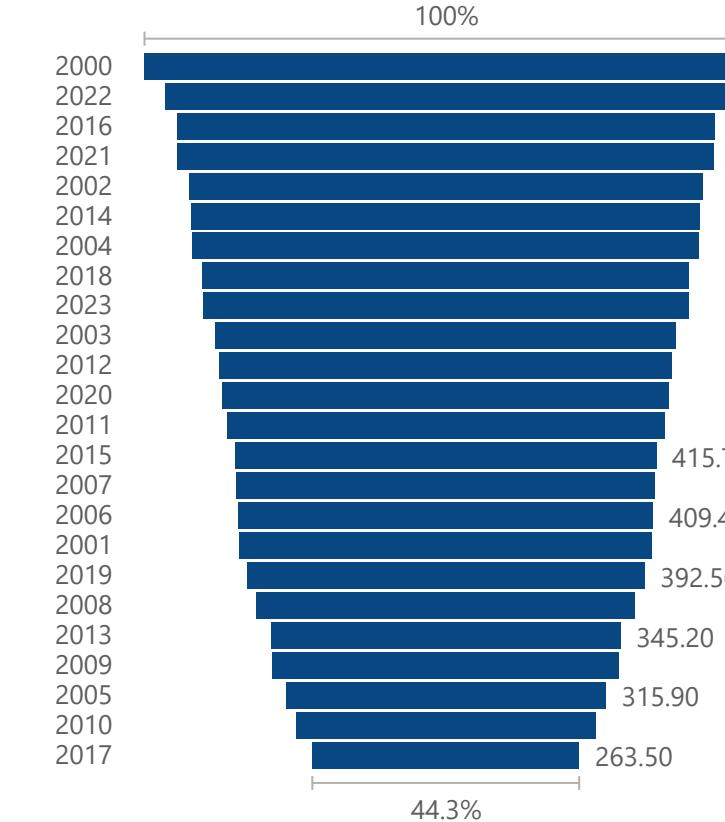

Country and CO2 Emissions (Tons/Capita)

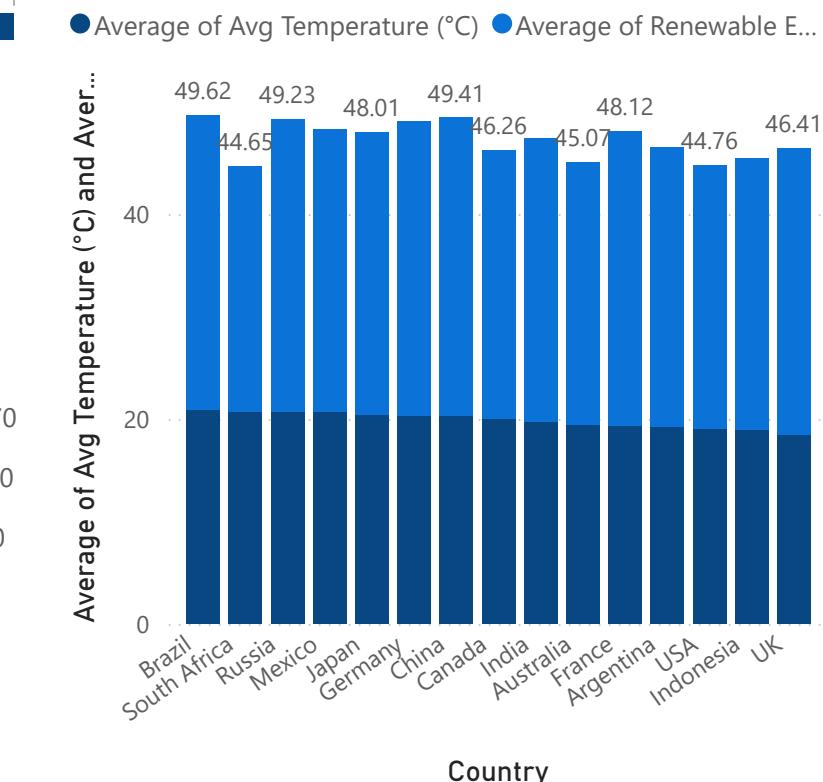

Extreme Weather Events by Country (2000-2023)

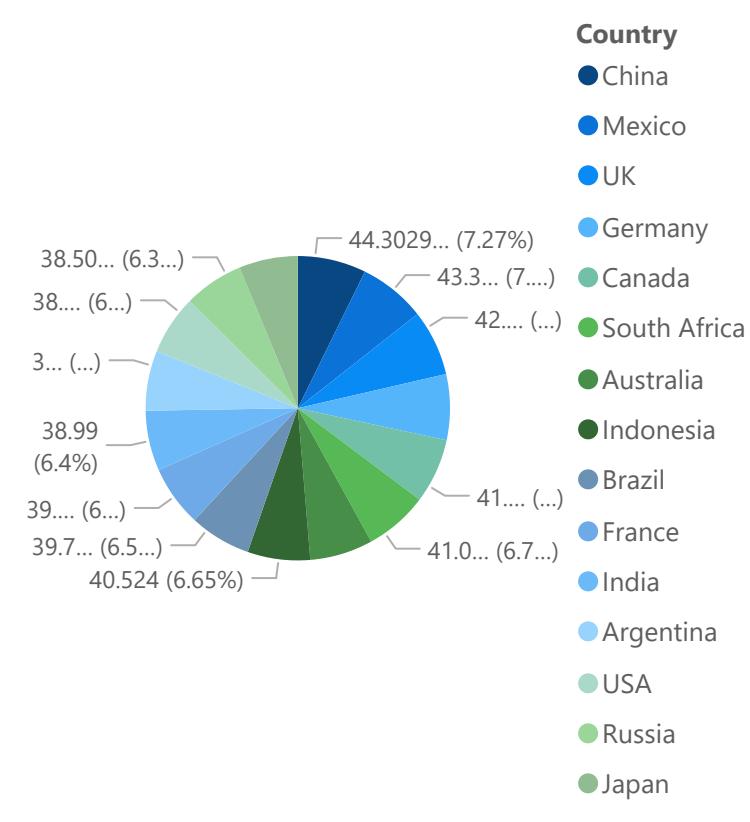

CO2 Emissions Change Over Time (2000-2023)

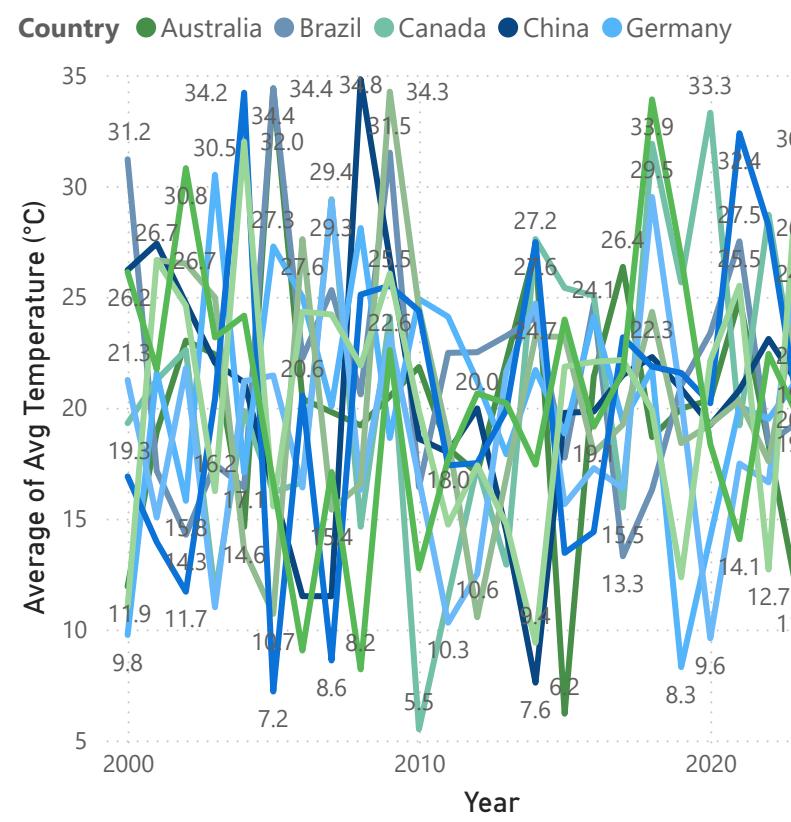

Average of Avg Temperature (°C) and Average of Renewable Energy (%) by Country

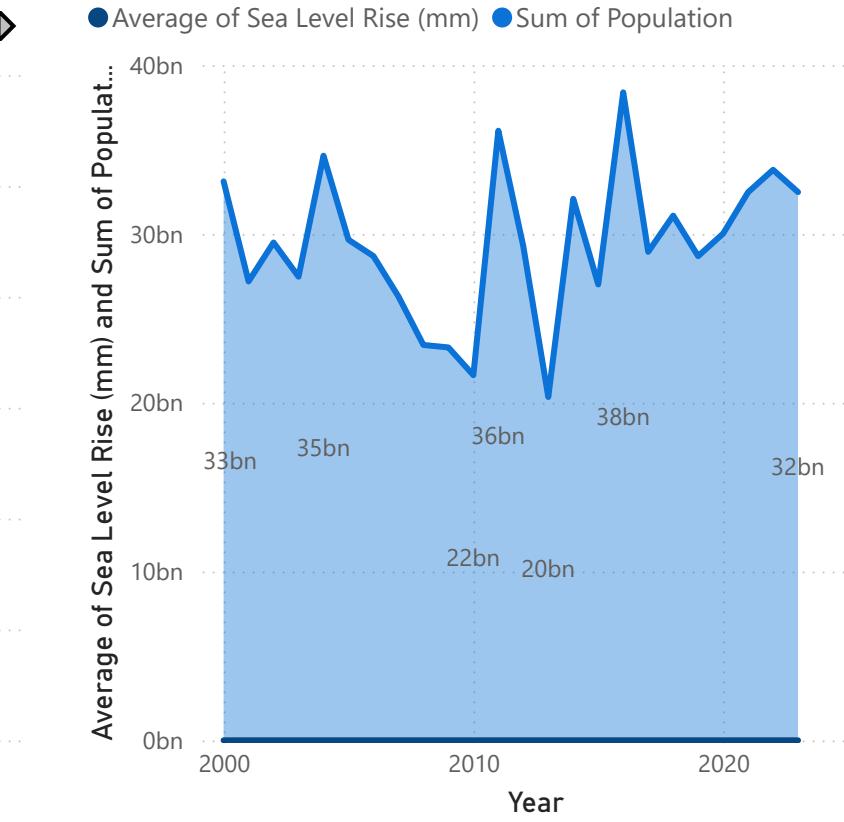

Forest Area Coverage by Region

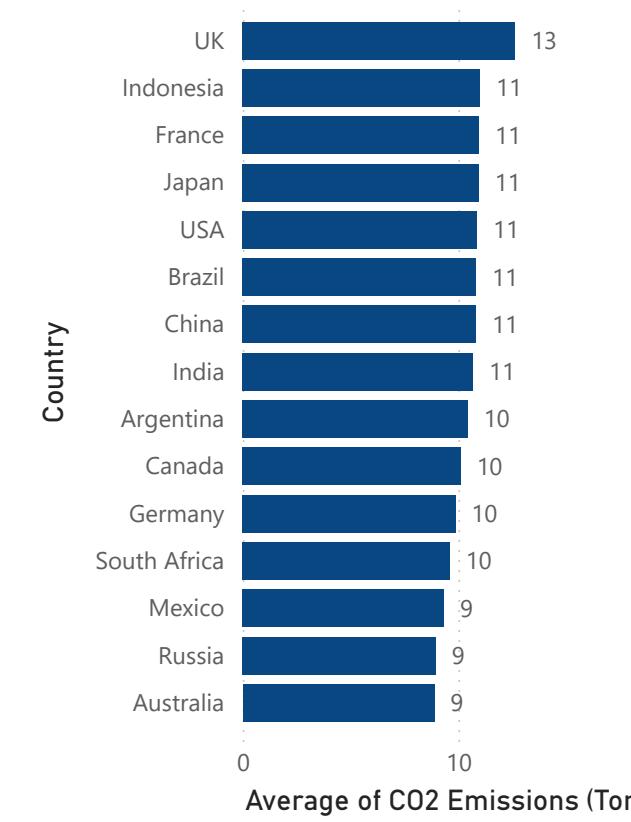

Average Temperature Over Time (2000-2023)

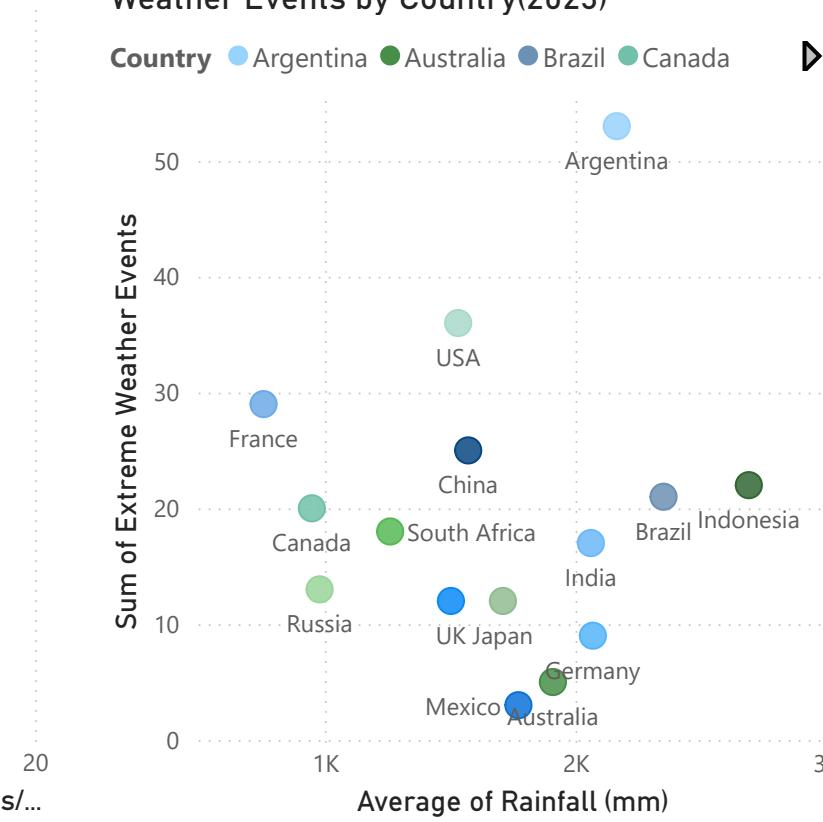

Sea Level Rise vs. Population Growth (2000-2023)

CO2 Emissions by Country

Average of Rainfall (mm) and Sum of Extreme Weather Events by Country(2023)

Distribution of Renewable Energy by Country
